Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During 2012, Sentio Healthcare Properties, Inc. paid total cash dividends of \$4,754,433 to its common shareholders quarterly.
On January 23, 2013, the Company estimated that 62.82% of these distributions represent dividend distributions to the shareholders.
On September 16, 2013, the Company finalized the 2012 E&P and determined that 11.88% of these distributions represent a dividend distribution to the shareholders.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ For each cash distribution paid to common shareholders by the Company during 2012, 11.88% of the distributions represents a dividend distribution. Accordingly, each common shareholder should treat 88.12% of the distributions as a nontaxable dividend and reduce the tax basis of their stock accordingly. Any nontaxable distributions in excess of a shareholder's basis should be treated as a gain from the sale of exchange of property.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ On September 16, 2013, the Company completed its annual calculation of its Current Earnings & Profits for the year ended December 31, 2012. Based on that calculation the company determined that 11.88% of its 2012 common distributions represent a dividend distribution.

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ Internal Revenue Code Section 316 defines a "dividend" generally as any distribution of property made by a corporation to its shareholders out of Earnings & Profits (as defined by Internal Revenue Code Section 312 and the regulations thereunder). Pursuant to Internal Revenue Code Section 301(c)(2), the portion of the distribution which is not a dividend shall be applied against and reduce the adjusted tax basis of the stock. Under Internal Revenue Code Section 301(c)(3), a distribution which is not a dividend, to the extent that it exceeds the shareholder's adjusted tax basis of the stock, shall be treated as gain from the sale or exchange property.

18 Can any resulting loss be recognized? ▶ The Organizational action reported herein does not result in any losses.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ The amount of nontaxable distributions on the dates mentioned above either (i) reduces the shareholder's adjusted tax basis in his/her stock or (ii) to the extent that it exceeds the shareholder's adjusted tax basis in his/her stock on the dates of the distributions, is treated as gain from sale or exchange of property in 2012.
